### **EOT Update for Friday, June 26, 2020**

Good Afternoon Chimnissing,

To date, Beausoleil Family Health Centre has completed 170 COVID-19 tests and all results have come back negative. We are awaiting test results from 5 tests which were completed yesterday, but those 5 were tested as a requirement of being a frontline worker and not because they were showing any symptoms.

Would you like to be tested? If so, testing is still available from Tuesday to Thursday. Please book and appointment by calling Marlene Marsden at 705-247-2035.

Just a few reminders when travelling to and from our home.

All BFN Band Members and their immediate family (see definition below) can now come home, all we ask is that all visitors complete the BFN Member Visit Registration Form. The form is available via paper copy but we prefer and strongly recommend you complete the form online. If completed online and a valid email address is entered, you will receive an email confirmation.

#### **Member Visit Registration:**

[https://docs.google.com/forms/d/e/1FAIpQLSfAJYr5TByAFle0U8zSVqCxPSeyFisplsNGLdadBIM3lhMYnw/viewform?usp=sf\\_link](https://docs.google.com/forms/d/e/1FAIpQLSfAJYr5TByAFle0U8zSVqCxPSeyFisplsNGLdadBIM3lhMYnw/viewform?usp=sf_link)

#### **Immediate Family Defined**

The term "Immediate family" means: spouse, son, daughter, foster child, Mother, Father, sister, brother, Grandmother, Grandfather, Grandchild, mother-in-law, father-in-law, common-law spouse, parents of common law spouse, same sex partner, parents of same sex partners, parent surrogate family by tradition and any relative of an employee who resides with an employee on a permanent basis.

**You will not be able to pass the Checkpoint without at least one (1) band member in the vehicle. Should you be a non-member but immediate family, please have the member meet you at the checkpoint to travel with you.**

**Email any travel requests when travelling from or travelling to a region considered as a high impact area.**

#### **Acknowledgement & Agreement**

- ✓ I understand myself and anyone I'm travelling with will have a mask with us at all times.
- ✓ I understand there will be no trailers or public camping during the COVID-19 Pandemic.

- ✓ I understand each household can only have up to 10 people, this includes the hosting family.
- ✓ I understand when visiting other families on Christian Island, social and physical distancing protocols will be adhered to.
- ✓ I understand there will be no town travel for essential supplies, unless I'm returning home and will bring enough supplies for myself and my family.
- ✓ I understand if BFN COVID-19 Response Plan escalates to Level 4 or higher, myself and my family will make immediate arrangements to leave Christian Island.
- ✓ I understand if myself and my family show signs of COVID-19, we will immediately alert the Beausoleil Family Health Centre and the Emergency Operations Team and the entire household will be under isolation until the test results are received.
- ✓ I understand frequenting band buildings and retail business is strictly prohibited.

Resident Members who would like to travel to the mainland overnight or longer are able to do so without approval, the member travelling will be required to use their household pass. Please note, if there are other members in that household, they will not be able to travel until the travelling member returns – this also applies for those members travelling the same day.

Also, the household pass must be on your person for the duration of your trip. You can travel with up to 5 person(s) in your car and from different households. Please ensure you have your pass with you, if you have lost or misplaced your household pass, please email [ecgquestions@chimnissing.ca](mailto:ecgquestions@chimnissing.ca).

New passes for July will be delivered to your homes on Monday, if you do not receive by end of day, please email [ecgquestions@chimnissing.ca](mailto:ecgquestions@chimnissing.ca). If there are errors on your current pass, please let us know as soon as possible.

Recently, we've had members wanting to move home on a permanent basis. There are protocols in place and pre-planning is required. Non-Resident Members who wish to return home on a permanent basis must contact the *Emergency Operations Team* in order to facilitate the process and once all required information is received, Chief and Council will make the final decision.

Whether leaving or coming to the island, everyone should use the utmost precautions when in public, especially where there is a higher concentration of people, i.e. shopping centres, grocery stores, malls, etc. Everyone needs to keep diligent, wash hands, wear a mask and disinfect items – we can control the spread.

Respectfully,

*Emergency Operations Team*

Emergency Operations Team
