

# Four Foundations of Learning

Beausoleil Day Care Centre follows *Early Years Act, and How Does Learning Happen* as a guideline for our program.

*How Does Learning Happen* includes goals for children and expectations for programs organized around the foundations of **belonging, well-being, engagement and expression**. The goals and expectations integrate the 6 principles of *E.L.E.C.T* document.

## Gentle Reminders

- All children must be signed into the program by 9:30 a.m (unless staff are notified)
- Please remember only healthy snacks!
- We are a **peanut free** building.
- Please keep toys at home; we provide toys for learning through play.
- Only person listed on your list may pick up your child, children **less than 12 years old cannot sign out** any child.
- Late charges will apply if you are late picking up your child! (\$1.00 per minute. If you call ahead and have a reasonable reason, we will dismiss the late charge as long as it isn't too late.)
- Beausoleil Day Care Centre Staff are currently implementing a form documenting called 'HiMama' which is delivered through an App (Apple or Andriod products); sign up with staff

## Medications

- If your child is on prescription medication, and you would like staff to administer your child's meds, you will need to fill out the form

**Hours of Operation:**  
**Monday- Thursday 8:00 am – 5:00 pm**

## Program Information

The Beausoleil Day Care Centre has been providing child care services to our community of Christian Island, Ontario since July 1976.

The Beausoleil Day Care Centre aims to be a child focused environment and support children development by learning through play.

Our program believes that children are entitled to opportunities that support their cultural, emotional, social, cognitive and physical development.

Beausoleil Day Care Centre provides child care for 18 months to 5 years of age.

## Important Information

Beausoleil Day Care is a licensed child care facility, with two classrooms. The Preschool classroom ratio is 8 children to 1 teacher, with space for 16 children.

The Toddler classroom ratio is 5 children to 1 teacher, with space for 10 toddlers.

- Due to limited spaces available, priority will be given to working families.
- Parents/Guardians attending training or educational courses will be given second priority.
- All children entering the program must have immunizations up to date.
- All forms and information must be filled out completely before Director Approval.
- Once registered, each child will participate in a week of orientation before starting programming full time.
