

PROCEDURES AND GUIDELINES FOR RENOVATIONS / IMPROVEMENTS

- 1) Apply for a Building Permit at the Beausoleil First Nation Administration Building, Attention: Dana Monague, Marcella Sunday and Michael Smith Lands & Resources Department
- 2) The applicant will submit a developmental plan along with the Building Permit. The plan must be exact with distances away from buildings, size of building, etc. (See attached developmental plan form)
- 3) The height of the building should not exceed 30 feet from ground level.
- 4) Any buildings/improvements should be 10 feet from the property boundaries.
- 5) The exterior of the building should be aesthetically acceptable.
- 6) Full Payment of the Building Permit will be required, as per attached schedule.
- 7) The lessee/applicant/ and contractor are required to schedule inspections at the necessary construction phases with the proper Inspector(s). (Form attached must be completed and signed by lessee and contractor).
- 8) The lessee/applicant must submit proper Inspection Forms to the Lands Management Officer with the proper authority signatures. All inspections must be conducted by a qualified Inspector.
- 9) The lessee/applicant must have at least 50% of the construction done by a qualified tradesperson of the Beausoleil First Nation.
- 10) It is the responsibility of the Lessee/Applicant to assure the contractors have a current WSIB Clearance Certificate. A copy of the certificate must accompany each application. Failure by the contractor to provide proof of coverage will result in your permit not being approved.
- 11) Absolutely no construction will commence until the Permit has been approved by the Lands Management Department. If construction commences before approval of Building Permit, the Building Permit will automatically be revoked and all construction will be halted until the non-compliance is rectified.
- 12) Building Permits under categories 1 and 3 are valid for two (2) years from the date of Approval. (See Page 2 - Categories for Construction).
- 13) All Building Permits for other categories are valid for only one (1) year. (See Page 2 - Categories for Construction).
- 14) If an extension (of up to a maximum of 1 year) of a Building Permit is required, you must re-apply at the Beausoleil First Nation Lands Management Office. The cost of a Permit extension is \$75.00.
- 15) These procedures and Guidelines may be amended from time to time by the Beausoleil First Nation.
- 16) All sites must be cleared of any dangerous or hazardous materials after a demolition, as they may pose a threat to peoples entering the site.
- 17) A PERMIT WILL NOT BE APPROVED UNTIL IT IS COMPLETED IN FULL AND PAYMENT IS RECEIVED.

PERMIT FOR CONSTRUCTION/ NOTIFICATION OF CONSTRUCTION	Require PERMIT	Check PERMIT TYPE

DEVELOPMENTAL PLAN FOR LOT _____, _____ Subdivision, PLAN NO. _____

- 1) Please indicate what **dimensions** are on the sketch above. Have these boundaries been verified? The Lessee/Contractor must **clearly define all visible markers**. In the absence of markers, the Lessee/Contractor can erect wooden stakes spray painted for ease of visibility.
- 2) Please indicate the following on your plan: **north arrow, road allowance, and frontage.**
- 3) Please indicate where **existing buildings, septic, driveway, etc.**, are located. If this is a developmental plan for new construction, please indicate where the above will be located.
- 4) The above plan must be reviewed and approved by a **qualified building engineer or a building inspector** before any work can begin. Have the engineer place his stamp on the drawing. If reviewed by a building inspector, have the inspector sign where indicated.
- 5) Please indicate on the developmental plan where trees will be removed. Please indicate the number of trees to be cut. _____ **Note: cut trees can not be removed from First Nation Territory.**

**LANDS DEPARTMENT SITE INSPECTION
