### RE: NOTICE TO ALL COTTAGE SUBDIVISIONS

Dear Lessee(s),

Our department has been notified throughout these past months that Lessees are selling their leases and or cottages without giving notification to the Beausoleil First Nation. Let it be known to ensure a sale is done properly we ask that any and all Lessees who may or may not be planning to sell their lease/ cottage to notify our office.

The Beausoleil First Nation Chief & Council has directed the Lands & Resources Department to inform our Lessee(s), that in the event where a Lessee or Lessees would like to sell their Lease/ cottage, notification to the Lands & Resources Department must be given. This has been a standard and courteous process that has been followed for many years by any and all previous and existing Lessees.

If you would like to inquire about how to go forward with selling your lease/ cottage, please do not hesitate to contact our office, and a member of our team would be more than happy to assist you with initiating a process of sale.

Thank you for your understanding,

Sincerely,
