- Assist with or lead on repairs and adjustments when within skill level.
- Track maintenance logs, inspections, service history, and upcoming needs.
- Support safety checks and ensure compliance with health and safety requirements.
- Identify mechanical issues and assist with determining repair priorities.
- Coordinate emergency repairs and routine service with operators and managers.
- Gather quotes and communicate with suppliers and service providers.
- Maintain parts, supplies, and equipment inventory.
- Support winterization, seasonal prep, and operational readiness.
- Promote safe and responsible use of equipment across departments.

Qualifications:

- Completion of high school.
- Hands on mechanical experience with engines, vehicles, or heavy equipment.
- Knowledge of preventative maintenance and repair practices.
- Strong coordination, record keeping, and communication skills.
- Ability to work independently and outdoors in all weather.
- Valid Driver’s License and clean abstract.
- Experience with heavy equipment, trucks, trailers, or municipal style machinery.
- Experience coordinating maintenance schedules or fleet operations.
- Welding or fabrication experience is an asset.
- Relevant college qualifications and/or trades certification an asset.
