EMPLOYMENT OPPORTUNITY

Oral Health Educator

Posting Date:	October 19, 2026	Salary:	\$21.57
Classification:	Permanent	Closing Date:	October 26, 2026
Supervisor:	Erin Forget, Health Director	Vacancy Status:	Existing Role
Hours of Work:	35 hours/week		

Overview

The Oral Health Educator supports children and families in improving oral health at home and across community, daycare, and primary school settings. Working as part of a multidisciplinary team, this role delivers oral health education and promotion, supports daily toothbrushing programs, connects families with prevention and treatment services, and serves as a link between families, dental professionals, health teams, and educators. Persons of Indigenous descent are preferred.

Key Responsibilities Include:

- Educate parents and caregivers on primary teeth, first dental visits, cavity-causing bacteria, nutrition and snacking, fluoride toothpaste, and daily family toothbrushing.
- Deliver age-appropriate oral hygiene education to children, including the importance of dental check-ups, cavity prevention, and keeping teeth healthy.
- Support and promote daily toothbrushing programs in daycare, school, family home, and community settings.
- Plan and deliver community oral health promotion activities, seminars, and educational sessions for families, preschool staff, and elementary school staff.
- Connect families with oral health promotion, dental prevention, appointment scheduling, and treatment programs.
- Build collaborative relationships with families, dental professionals, health teams, educators, community partners, government, and other external organizations.
- Assess learning needs, develop appropriate educational resources and training, and use verbal, written, visual, and electronic communication methods.
- Conduct follow-up assessments to evaluate whether oral health knowledge, attitudes, and practices are being maintained and improved.
- Provide timely information and updates to the Health Director, colleagues, and community partners.

Qualifications:

- Certificate in Early Childhood Education, a Teaching Certificate, Registered Practical Nurse designation, Dental Hygienist qualification, or another health sciences-related diploma.
- Knowledge of oral health promotion, prevention, determinants of health, and holistic wellness approaches.
- Familiarity with dental equipment and willingness to complete further training as required.
- Excellent written, verbal, visual, and electronic communication skills.
- Strong computer, organization, scheduling, and record-management skills.
- Ability to design and deliver engaging education for children, families, educators, and community groups.
- Ability to work independently, demonstrate initiative, collaborate effectively, and contribute to a positive team environment.
- Commitment to ongoing professional development and advocacy for equitable access to oral health care.
- Must provide a clear CPIC and VSS

How to Apply

Submit a complete application package including:

- Cover letter
- Resume

*Employer references will be requested in the later stages of recruitment

How to Apply: Email applications are preferred: jobs@chimnissing.ca Alternatively, drop off at the Beausoleil First Nation Administration Building.

Accessibility: BFN is committed to an inclusive, barrier-free process under the Ontario Human Rights Code and AODA. Accommodations are available on request.

AI Use: AI will not be used to make hiring decisions. In rare cases, it may assist with organizing application data.
