#	DESCRIPTION OF WORK TO BE COMPLETED	LABOUR and MATERIALS COST \$
1.	Material & Labour: Construction of (3) decks 20ft x 20ft with appropriate footings and railings. All decking must be properly supported by joists. Decks are to be screened underneath for pest control. Lattice is to be installed covering bottom of deck. All materials must be treated for outdoor use. Location: Beckwith Island (Charter rates will apply, please include in your quote)	
	The contractor is to include all materials required in quotation (if applicable), however there may be some suitable materials on site that can be reused. The successful contractor will review these materials with BFN Parks and Tourism Manager following award to determine potential cost savings to BFN.	
	NOTE: ALL INSTALLATIONS, TO BE INSTALLED AS PER MANUFACTURER'S SPECIFICATIONS AND THE ONTARIO BUILDING CODE. TIME IS OF THE ESSENCE. ALL WORK IS TO BE COMPLETED WITHIN THREE WEEKS OF AWARD.
